

OBSERVATION EXERCISE

- **Did you struggle to remember some of the details?**
- **Did you talk to someone at your table about what you or they saw or heard?**
- **Did you make some things up or have a guess?**
- **Why did you do that?**
- **Your witnesses will do the same things.**
- **You and your legal team will examine these differences in witness testimony to establish particular points of evidence.**
- **Your role is to gather as much information as possible to establish the truth about what really happened.**
